## Islamabad/ Gilgit / Hunza

Departure from Islamabad to **Gilgit** by flight.

Meet & greet @ the airport transfer to **Hunza**. It's a 03-Hours Scenic Drive on Economic Corridor; a short stop at Rakaposhi view point Restaurant with breathtaking view of **Rakaposhi Mountain**. It's a beautiful place to spend 30 minutes on the way to **Hunza**. After arrival in **Hunza** transfer to Hotel. Afternoon Visit to **Altit Fort & Baltit Fort**. **Altit fort** is situated in the village of **Altit** about three kilometers from **Karimbabd Hunza**. It has been built on a sheer rock cliff that falls 300 meters (1,000 feet) into the Indus river. The fort is a 100 years older than the **Baltit Fort** and wears at one time inhabited by the ruling family.

Today there is a museum built within the Fort for the tourist. A trip to the **Baltit & Altit** is must while your tour to **Hunza Valley**.

**Baltit Fort**; Built in Eleventh-century, located 2800 m to the summits of the Himalayas, was built at the time, enemies and withstands frequent earthquakes. Until 1950, the fort was the residence of the **Mirs of Hunza**, but was then left to perish. The recent restoration, proposed by the **Aga Khan Trust** has carefully respecting the original construction techniques. Although rain is rare in the **Hunza** valley; still is irrigated by an ingenious system of canals fed by ancient glaciers.

Dinner & Overnight at Hunza Hotel.

## Hunza/Khunjrab/Hunza

Breakfast at Hotel drive to **Khunjrab Pass**. The Khunjerab National Park is Pakistan's 3rd largest National Park and is adjacent to **Taxkorgan Natural Reserve** (1,400,000 hectares) in China. On the way to back to **Hunza** Lunch at Sust PTDC. After lunch spend some time at **Sust** (The last village on China Boarder), and then move towards **Passu cones**.

Passu is a fascinating land with an amazing diversity of places, people and customs, Passu is the mixing bowl of ancient civilization and dream of nature lovers, is well known about its extraordinary contrast of landscapes of the world. Passu is one of the most beautiful village of Pakistan . From times, immemorial the village has been promising Mountainous resort. Situated in the spectacular karakoram Mountains on the old silk route 150 km from Gilgit in the west banks of Hunza River and border on China, a short stop for photo shot, journey continue towards **Attabad lake**, for Boating.

Attabad Lake, located in Gojal, Hunza Valley (North of Pakistan) was formed in Attabad Village in January 2010. Before it was just a mountainous terrain and village with residents living their lives within their community with less or no tourists from all over the country. Attabad Lake was formed due to massive landslide 14km upstream of Karimabad. At the time of its formation, the local residents had no idea that there would be a lake formed that would hold so much beauty and would become a famous destination for tourists Later drive back to Hunza.

Overnight in Hunza Hotel.
